

CHERAW CHRONICLE

JOE LINDSAY, Editor

J. A. SPRULL FOR THE SENATE

We are carrying an announcement this week of J. A. Sprull, offering for the office of State Senator for Chesterfield County.

Mr. Sprull is well known throughout the County, having been in the lumber business here for the past 15 to 20 years. He is a "level headed" business man of the type needed to "look after" our affairs in Columbia in these strenuous times.

As Mayor of Cheraw, Mr. Sprull for several terms proved his worth as a man capable and willing to give the best of his efforts to a public duty.

Chesterfield County will do well to send J. A. Sprull to the Senate next January.

CHINA

Last two or three years, we've harbored grave fears—for China. . . . In fact we shed tears till they filled up our ears,—for China. . . . We mourned till we're sick, at "The Rape of Shantung" and howled in disgust that the rapers ain't hung, while political bally-boos dolefully sung—of China.

I've figured myself, that we ort to reform—old China. . . . And I mighty high cussed, when the Jap took a swarm—to China. . . . I pictured the Chink with a foot on his neck, while the ravisher gobbled his little brass check,—then I sent up a howl, to the echo, —heck,—fer Chinney!

Right now—when the mourners could bring her relief—old China,—she ups an' declares she ain't got any grief—dear China! She's gentle, and stupid, and chronic, and stale—she don't mind the crupper that's under her tale,—And the tears we've shed, somehow didn't prevail—China!
